Disabled applicants must make their request for accommodation a minimum of three (3) working days prior to the scheduled testing to provide adequate time for accommodation.

A. COMPETITIVE SELECTION PROCESS

Except as specified in subsection "Non-competitive Selection Process", the selection process will be competitive, shall be practical in nature and job related, shall be constructed to reveal the capacity of the candidate for the particular position for which he or she is competing, and shall be rated impartially. In cases where a high volume of qualified applications have been received, either Human Resources or the hiring department may screen down the number of applicants to continue in the selection process by establishing a screening criteria based upon education, experience, and desirable qualifications.

A written or oral selection device may be utilized to test the candidates' knowledge, skills, abilities, physical fitness when necessary, or any combination thereof. The competitive selection process may use assessment center techniques or performance testing.

The assessment center process may include, but is not limited to, stress interviews, written and verbal communication scenarios, role playing, in-basket exercises, budget simulations, media relations, etc. Assessment center, interview(s), performance testing or other methodology may be used as the sole evaluation instrument or they may be used in any combination or sequence to determine the most suitable applicant.

B. CONDUCT OF WRITTEN SELECTION DEVICE

1. Convenient Location: Examinations shall be conducted in places most convenient and accessible for applicants and practicable for administration. Reasonable accommodation will be made for disabled applicants.
2. Monitoring Examinations: Human Resources may designate proctors to take charge of examinations and make arrangements for the use of public buildings in which to conduct the examinations.

C. ORAL APPRAISAL BOARD

1. Composition of Oral Board: Attempts shall be made to involve community members as members of the oral appraisal panel if the position clearly involves dealing with an identifiable segment of the community. At least one member of the oral appraisal board shall be technically familiar with the character of the work in the position the applicant will be appraised.
2. County Employee Panel Members: Employees of the County may be appointed to serve as members of oral appraisal boards. Oral appraisal board members shall disclose each instance in which they know an applicant professionally or personally and must excuse themselves from rating such applicant if objectivity is affected. The candidate may also request the removal of a panel member prior to the start of the interview if they feel the panel member cannot be objective. County employees may not serve on a board for a position that would be higher ranking in classification than the position currently held by the panel member.
3. Rating of Applicants: An applicant's final rating shall be based upon a weighted average of the parts of the total selection process. All applicants for the same class of position shall be afforded uniform and equal treatment in all phases of the rating procedure. A minimum passing score may be set on each part of a multi-part selection process. Candidates may be required to attain at least a minimum score on each part to receive a passing grade and continue in the selection process.

D. VETERAN'S PREFERENCE

Applicants, who receive a passing score on a written or oral examination, shall be eligible to receive credit for an additional five (5) points to be added to the final examination score. Veteran's preference is allowed only on initial entrance into County service and shall not affect the order of eligibility on any other employment lists.

For the purpose of this section, a veteran is one who has received an honorable discharge from active duty, and has served:

- 1) During one of the following wartime or equivalent periods:

Sept. 11, 2001	to	End of Operation Iraqi Freedom
Aug. 2, 1990	to	Jan. 2, 1992
Jan. 31, 1955	to	Oct. 15, 1976
- 2) During peacetime for which service a campaign or expeditionary medal has been authorized by the Government of the United States and where discharge was under honorable conditions. This would include Lebanon, Grenada and Southwest Asia.

A copy of the discharge form (DD-214) shall be submitted to Human Resources for each position applied for, along with an application for employment requesting such preference, on or before the final filing date specified on the job announcement. Failure to submit the required credentials (DD-214) prior to the final filing date will be deemed a waiver of credits.

E. SELECTION PROCESS

1. Notice of Selection Process Results: Each applicant shall be notified of their status throughout the selection process.
2. Special Selection Process: Only in cases of a manifest error will an applicant, who has been disqualified, be allowed to participate in the entire, or a portion of, the selection process. This may consist of retaking a portion of, or all of the selection process. Any special selection process shall be constructed on a pattern similar to, and as extensive as, the original selection process. Any such special selection process shall not invalidate any certification or appointment previously made unless an error was made, which would invalidate the entire process.
3. Waiver of the Selection Process: Once it is determined that minimum qualifications are met, Human Resources may waive the evaluation of training and experience by a screening panel, a written selection device, or a qualification appraisal board from the selection process.
4. Non-competitive Selection Process: The non-competitive selection process will be used when any of the following circumstances occur:
 - a. An insufficient number of qualified applications are received.
 - b. Number and frequency of vacancies to be filled.
 - c. Candidates are established as qualified by public licensure or certification therefore rendering the competitive selection process meaningless.

The competitive selection process **will be waived** when any of the following circumstances occur:

1. When there is an opportunity to appoint a regular full time employee who has been notified of layoff in accordance with Merced County's procedures.
2. When it is impractical to conduct a competitive selection process.
3. When an alternate employment placement is made.
4. Flexible staffing exists within a department's allocation listing.

Such non-competitive selection processes need not comply with the provisions in these rules that pertain to the competitive selection process.

Any regular full time, or variable shift employee being laid off in accordance with County rules shall be eligible to apply for transfer to a vacant position at equal salary range, or accept a voluntarily demotion to a vacant position of a lower salary

range, in any department in regular County service if the employee meets the minimum qualifications as set forth in the class specification. Eligible employees must submit an application through the reduction in force (RIF) process to Human Resources to be placed on a RIF list to be matched to current vacancies during the prescribed RIF timeframe.

Human Resources shall make every reasonable effort to facilitate such a transfer or voluntary demotion when so requested by an employee affected by a reduction in force yet remain within the guidelines as provided in the Merced County Human Resources Rules and Regulations.

Human Resources will refer a RIF list of all such interested employees to the departmental hiring authority where the vacancy exists. The hiring department must interview and consider all qualified employees from the layoff list prior to receiving a regular eligible list, or in the absence of such a list, request commencement of a regular recruitment to fill the vacancy.

In situations where an employee has become unable, through a physical or psychological condition to perform some or all of the duties of the employee's regular employment, Human Resources in conjunction with Risk Management shall attempt to locate alternate employment with Merced County for which the employee would qualify. Risk Management will advise Human Resources of disabled applicants in an effort to place them in another job classification that is suitable. With the concurrence of the department head, the employee, and the Board of Supervisors (if applicable), the employee would be placed either in the same department or another department if their physical disabilities do not hinder them from meeting minimum requirements for the alternate position. The employee must meet the minimum qualifications for the alternate position.

F. NON-COMPETITIVE PROMOTIONS-FLEXIBLE STAFFING

Whenever it is indicated in the County's Position Allocation Resolution that there exists within classified service a series of classifications wherein the number of positions allocated to the series of classifications may be interchanged among levels, and the first level is considered the entrance or trainee level, the department head in whose department the series exists may recommend the promotion of an employee without further examinations to the next higher level. The employee must meet the minimum qualifications for the higher level at the time of promotion and the department head shall certify that the employee has been satisfactory in all respects on the job.

G. VOLUNTARY TRANSFER/DEMOTION

With prior hiring authority approval, a regular employee may voluntarily demote to any vacant position in a lower class in their current classification series within the department. Definition of a classification series shall be determined by Human Resources after consultation with the department and the appropriate employee organization. With prior hiring authority approval, a regular employee may transfer

or voluntarily demote to any vacant position in a class of equal or lower salary in any department, if the employee held permanent status in that classification at any time or to any other vacant position in a lower class for which they meet the minimum qualifications.

H. UNDER-FILL

If there is no eligible list available to fill a vacant position, the vacancy may be under filled with an incumbent of a lower class in the same or a related class series. The incumbent need not meet the minimum qualifications of the higher class.

Human Resources shall determine whether the classes are in the same or related class series.

An under fill shall not extend beyond six (6) months, except that no incumbent shall under fill a higher classification for more than sixty (60) days after an eligible list has been established for the higher classification.

III. ELIGIBLE LISTS

The Director of Human Resources or his/her designee shall be responsible for the establishment and maintenance of all appropriate eligible lists.

A. REQUISITION REQUEST

Whenever a vacancy exists, or a vacancy is anticipated, the department head or designee shall submit a Requisition to Human Resources for referrals from the appropriate eligible list, or to begin recruitment if an eligible list does not exist.

B. ELIGIBLE LISTS

Upon receipt of the authorization to fill the Requisition, Human Resources shall refer to the department the applications of the persons entitled to referral. The department can determine whether or not to re-interview an applicant who has already applied and been interviewed by that department for the same position within the last ninety (90) days. Only one applicant can be hired for each Requisition submitted.

1. Open Recruitments: When an open recruitment has been conducted and the Human Resources Department facilitates an oral panel, the top five (5) names shall be referred for each requisition unless fewer than five (5) names are on the eligible list. When more than one vacancy is to be filled from the eligible list, Human Resources shall refer a minimum of three (3) additional names for each additional vacancy to be filled, providing additional names are available. All names referred to the hiring department will be placed alphabetical order. In circumstances where an oral panel was not conducted at

the Human Resources level, all names of applicants who meet the minimum qualifications and are placed on the eligible list and will be referred to the hiring department.

2. Continuous Recruitments: When a continuous recruitment has been conducted, names of all applicants who meet the minimum qualifications and are placed on the eligible list will be referred to the hiring department on a continuous basis.
3. In the case of "A" level management vacancies, it is at the discretion of the Director of Human Resources or designee to screen all candidates and refer the most qualified candidates on for continuation in the hiring process. The Board Member Appointed Committee, that includes the County Executive Officer, may interview the candidates and recommend a selection to the Board of Supervisors for final consideration.

C. DURATION OF LISTS

The life of an application is six (6) months from the date of submission. The life of an eligible list is six (6) months from the date of the establishment of such list. An eligible list may be exhausted early or extended by the Director of Human Resources when it appears to be in the best interest of the County.

D. REMOVAL OF NAMES FROM THE ELIGIBLE LIST

1. Reasons for Removal: Human Resources may, after reviewing all necessary evidence, remove the name of an applicant from an eligible list:
 - a. For any of the causes stipulated in the section entitled, "Disqualification of Applicants".
 - b. On evidence that the applicant cannot be located by telephone, postal authorities, or if the applicant has failed to respond within seven (7) calendar days to a letter of inquiry regarding availability for appointment.
 - c. On receipt of a statement from the applicant stating that he/she no longer desires consideration for a position in that class.
 - d. If two (2) offers of employment are declined by the applicant for the class/position which the applicant applied.
 - e. When an applicant is hired in the job classification for which the eligible list was established.
 - f. For failure of the applicant to appear for an interview with the hiring authority after a good faith effort has been made by the hiring authority to contact the applicant.
2. An applicant may, by written request, cause their name to become inactive for an indefinite period during the life of the list. They may also reactivate their name by written request during the life of the list.

E. EXHAUSTION OF ELIGIBLE LIST

A list that has not reached its expiration date can be considered to be “exhausted” for the following reasons:

1. If there are not a sufficient number of qualified applicants remaining on an eligible list.
2. If the recruitment is for a specific location and there are not enough applicants willing to work in that location.
3. If there are bilingual requirements that cannot be met from the current eligible list.

If the Director of Human Resources makes the determination to “exhaust” a list prior to six (6) months, the remaining active applicants are sent a letter advising that a new recruitment is necessary and they need to reapply.

F. RE-INSTATEMENT LISTS

In accordance with Merced County's procedures, any employee who has been laid off **or** demoted in lieu of layoff from their classification, shall be entitled to have his/her name placed on the Reinstatement List. The reinstatement list shall remain active for eighteen (18) months from the effective date of layoff. Reinstatement will be determined by order of seniority and will provide automatic reinstatement of the employee to their original classification within the department they were in at time of layoff.

G. RE-EMPLOYMENT LISTS

In accordance with Merced County's procedures, any employee who has been laid off **or** demoted in lieu of layoff and has provided Human Resources with the required reduction in force (RIF) application, will have their name placed on a reemployment list. The reemployment list is for consideration for any approved openings within the County. The employee must meet the minimum qualifications for the position and the salary range must be equal to or less than the employee's range at time of layoff. No employee may receive a promotion through the reemployment process. Eligibility to remain on the reemployment list shall expire after eighteen (18) months from the effective date of layoff. During such period, the reemployment list shall have precedence over any other list in existence or established for the job classification for approved opening.

IV APPOINTMENTS

All appointments to positions shall be promptly reported by the department head or designee to Human Resources on forms prescribed by Human Resources and signed by the hiring authority.

A. FINGERPRINTS (LIVESCAN) AND MEDICAL EXAMINATIONS

Employees in certain regular or extra help classifications may be live scanned (fingerprinted) in accordance with Merced County Rules and Regulations, Section 2. B. 8 – 12 and may be required to undergo a Health Examination conducted by a designated medical authority in accordance with procedures established in the Health Examination Resolution and the Merced County Rules and Regulations. No disabled applicant will be refused a job appointment without the application of reasonable accommodation efforts on the job site.

B. TYPES OF APPOINTMENTS

1. Regular Appointments: Appointments made to regular positions, in which the competitive selection process has taken place, shall be made from the eligible list certified by Human Resources. No hiring authority may appoint more employees to a position than authorized by the Board of Supervisors.

An emergency appointment may not exceed sixty (60) working days in a twelve-month period.
4. Provisional Appointment

Limited term appointments to regular positions shall not continue beyond the probationary period allocated to said classification, unless otherwise approved by the Board of Supervisors.

The selection process need not be competitive, nor is an eligible list required.

7. Transfer: Any regular employee who desires to initiate a transfer to the same classification in another County department shall be given consideration.
