AB 992, Mullin. Relating to local government.

Status: Referred to Com on GOV. & F.

The Ralph M. Brown Act generally requires that the meetings of legislative bodies of local agencies be conducted openly. That act defines “meeting” for purposes of the act and prohibits a majority of members of a legislative body, outside a meeting authorized by the act, from using a series of communications of any kind to discuss, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

This bill would provide that the prohibition described above does not apply to the participation, as defined, in an internet-based social media platform, as defined, by a majority of the members of a legislative body, provided that a majority of the members do not discuss among themselves, as defined, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest. This bill would make legislative findings to that effect.

AB 1945, Salas. Emergency services: first responders.

Re: Adds section 8562 to the Government Code.

Under existing law, the California Emergency Services Act, the Governor is authorized to proclaim a state of emergency, as defined, under specified circumstances. The California Emergency Services Act also authorizes the governing body of a city, county, city and county, or an official designated by ordinance adopted by that governing body, to proclaim a local emergency, as defined.
This bill would, for purposes of the California Emergency Services Act, define “first responder” as an employee of the state or a local public agency who provides emergency response services, including a peace officer, firefighter, paramedic, emergency medical technician, public safety dispatcher, public safety telecommunicator, emergency response communication employee. The bill would provide that the definition of first responder described above does not confer a right to, or entitlement upon, an employee or prospective employee to obtain a retirement benefit formula for an employment classification that is not included in, or is expressly excluded from, that formula, as specified. The bill would prohibit an employer from offering, or indicating an ability to offer to an employee or prospective employee a retirement benefit formula for an employment classification that is not included in, or is expressly excluded from, that formula because of the definition of “first responder.”

**AB 2226, Voepel and Brough.** Personal income taxes: exclusion: retirement pay.

*Re: Ads and repeal section 17132.9 of the Revenue and Taxation Code.*

The Personal Income Tax Law imposes a tax on individual taxpayers measured by the taxpayer’s taxable income for the taxable year, but excludes certain items of income from the computation of tax, including an exclusion for combat-related special compensation.

This bill, for taxable years beginning on or after January 1, 2021, and before January 1, 2031, would exclude from gross income specified amounts of retirement pay received by a taxpayer from the federal government for service performed in the uniformed services, as defined, during the taxable year.

**SB 749, Durazo.** California Public Records Act.

*Re: Adds section 6254.34 to the Government Code.*

Status: In Assembly, ordered to inactive file on request of Assembly Member Calderon.

The California Public Records Act requires state and local agencies to make their records available for public inspection, unless an exemption from disclosure applies. Existing law provides that nothing in the act requires the disclosure of corporate proprietary information including trade secrets, among other things.

This bill would provide specified records of private industry employer that are prepared, owned, used, or retained by a public agency are not trade secrets and are public records, including certain records relating to employment terms and conditions of employees.
working for a private industry employer pursuant to a contract with a public agency, records of compliance with local, state, or federal domestic content requirements, and records of a private industry employer’s compliance with job creation, job quality, or job retention obligations contained in a contract or agreement with a state or local agency.

**SB 783, Committee on Labor.** County Employees’ Retirement Law of 1937.

*Re: Amends section 31465, 31627.1, 31627.2, and 31631.5 of the Government Code.*

This is a SACRS sponsored bill that would correct several erroneous or obsolete cross-references within the CERL.

**SB 931, Wieckowski.** Local government meetings: agenda and documents.

Status: Amended March 2, 2020. Re-referred to Com. on GOV. & F.

The California Existing law, the Ralph M. Brown Act, requires meetings of the legislative body of a local agency to be open and public and also requires regular and special meetings of the legislative body to be held within the boundaries of the territory over which the local agency exercises jurisdiction, with specified exceptions. Existing law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person.

This bill would require, if the local agency has an internet website, a legislative body or its designee to email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the items be delivered by email. The bill would require, where the local agency determines it is technologically infeasible to send a copy of all documents constituting the agenda packet or a website link containing the documents by electronic mail or by other electronic means, the legislative body or its designee to send by electronic mail a copy of the agenda or a website link to the agenda and mail a copy of all other documents constituting the agenda packet in accordance with the mailing requirements. By requiring local agencies to comply with these provisions, this bill would impose a state-mandated local program.
