HOW TO VOTE: To vote on the recall question, mark the voting target to the left of the word "YES" or "NO". To vote for a candidate whose name appears on the ballot, mark the voting target next to the candidate's name. To vote for a qualified write-in candidate, write the person's name in the blank space provided for that purpose after the names of the other candidates for the same office. If you wrongly mark, tear, or deface this ballot, return it to the election official and obtain another. On vote by mail ballots mark with pen or pencil.
