

Public Notice and Posting

Merced County, in keeping with our ongoing efforts to serve all members of the community, is developing an Americans with Disabilities Act (ADA) self-evaluation and transition plan. This accessibility plan will provide a comprehensive design for access for individuals with disabilities to the county facilities, parks, programs, services, activities, and events.

Merced County has partnered with Sally Swanson Architects, Inc. to complete the ADA self-evaluation and transition plan. As part of this plan, GIS surveyors may be present in your neighborhood during the following dates: 9/19/2022 – 12/2/2022. Surveyors may have equipment and be easily identified with working vests and name tags.

If you have questions regarding GIS surveying, please contact:
