Self-Care	Count
Self-Care	84

\* Lower Income indicates the applicant's reported income is less than 80% of the median income per Census, and Higher Income indicates the applicant's reported income is greater than or equal to 80% of the median income per Census.

† Language Need is an Accommodation type, and Independent Living and Self-Care are Disability types. Please note that an applicant may report more than one AFN, and as a result the Identified AFN Types will add to more than the total number of applicants with an AFN.
